

TOOL TETHERING LEARNING BOARD

4 SIMPLE STEPS TO TOOL SAFETY

MINIMUM REQUIREMENTS FOR TOOL TETHERING PRODUCTS

TESTED

All Leading Edge products are in conformity with the provisions of REGULATION (EU) 2016/425 and in accordance with EN364:1992.

SERIALISED

Every item serialised and logged – for complete traceability of your equipment.

RATED

Engineered with Safe Working Loads that exceed minimum requirements.

DATED

All products to carry a date of manufacture.

FULLY CERTIFIED

All items come certified with a 'UKCA Declaration of Conformity'.
